Dear Mr. Swasey:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. As Skipper of Sea Scout Ship 129 and as Committee Chairman of Pl01, both sponsored by the Lion's Club of Rio Vista, you are to suspend, effective immediately, all activities, involvement, leadership, and attendance at Scouting events.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Sincerely,

Larry J. Leighton  
Scout Executive

PERSONAL & CONFIDENTIAL

SUBJECT: Jim Swasey

Dear Bob:

We had received a copy of a letter to Mr. Swasey from the previous scout executive, indicating that his registration had been suspended because of sexual relations with a fifteen-year old girl.

We really need further statements related to this matter so that we have adequate substantiation, which would lead to refusal of registration anywhere an attempt might be made.

I am enclosing a Confidential Record Sheet which I would like to have completed so that we can identify Mr. Swasey should he attempt registration. Please complete this with as much information as you have available so that he can be identified. A copy of an application or other paper with his signature would certainly aid in the identification process.

Please do not hesitate to call me if you have any questions related to this matter. If there are any court records available or newspaper clippings, these would also aid in establishing a secure file.

Sincerely,

Paul Ernst, Director  
Registration Service

Dear Larry:

I am sorry to bother you again, but we really do need information concerning the above-named individual. I need copies of any newspaper clippings of court records if there has been any legal action. This would help to substantiate our refusal of registration in the future.

I am sending you another Confidential Record Sheet which we must have completed so that we may identify Mr. Swasey should he attempt registration at a later time. We certainly need all of the personal information available so that he can be easily identified should he move to another part of the country.

We really need your help in protecting the youth of America.

Dear Larry:

We received a letter from you dated May 20 which was sent to Mr. Jim Swasey suspending his registration. We then talked to you on May 27 and you indicated that Mr. Swasey had been arrested because of sexual relations with a 15 year old girl.

We sent you a letter on August 20 asking for a Confidential Record Sheet so we can identify Mr. Swasey should he attempt registration in another location. We have not received this form, as of today. We would appreciate it being completed so our file will be complete with all information necessary for identification purposes. We would also like a copy of Mr. Swasey's application or something with his signature.

We would like to have newspaper clippings or court records which would help to substantiate our registration refusal. Statements from individuals would also be helpful in building our file.

If we can be of any help to you, please don't hesitate to contact us.
